### **Footnotes for CPI Cross Reference:**

1. Bright zinc plating.
2. Different shape same function.
3. Includes hardware.
4. Different design same function.
5. Packaged as a kit.
6. B-Line post is 12" tall.
7. Mounting holes on both sides.
8. Two B-Line parts required.
9. Different length.
10. Finish is yellow zinc plated.
11. 10 pieces per package.
12. Field modification required.
