

The training you receive in the Cooper B-Line Flextray Certified Installer Program can make a difference on every job. Now, more than ever before, it's critical that Installers are well trained in the proper use and application of cable management products. B-Line knows that proper training can make installation faster, eliminate and greatly reduce mistakes, and dramatically increase the installer's value to a project.

Here's why you don't want to miss out on the Flextray Certified Installer Program!

Training *

As a Flextray Certified Installer, you learn about our great B-Line products and receive BICSI CECs!

NEMA • NEC • UL • Grounding
Fill and Loading
Hands on product installation

- Recertification required every two years -

Other Training Programs Offered

Flextray Certified Designer
Technical Solutions Training
Thermal Solutions Training

10% Rebate *

As a Flextray Certified Installer, you'll receive 10% off your first order placed within two (2) months of your certification date! All you have to do is give us a copy of your purchase order!

Guaranteed Bill of Material *

As a Flextray Certified Installer, you are eligible for the Guaranteed Bill of Material program.

* A minimum of four (4) installers must attend the training session in order to be eligible for rebate and Guaranteed Bill of Material programs. Visit our website at www.cooperbline.com/product/cabletray/ftcertification.asp for all information and how to register to become the next Flextray Certified Installer.
