Semiconductor Fuse
90-355A, 690 Volts

Pre-Arcing Time-Current Characteristic Curves

90EET-160EET 160MT-355MT

Approved: NN
Rev. Date: SEPT-97
Pub. Date: JAN-98

Bussmann reserves the right without notice to change design and/or discontinue distribution of this product.
The only controlled copy of this BIF document is the electronic read-only version located on the Bussmann Network Drive. All other copies of this BIF document are by definition uncontrolled. This bulletin is intended to clearly present comprehensive product data and provide technical information that will help the end user with design applications. Bussmann reserves the right, without notice, to change design or construction of any products and to discontinue or limit distribution of any products. Bussmann also reserves the right to change or update, without notice, any technical information contained in this bulletin. Once a product has been selected, it should be tested by the user in all possible applications.
