Date: September 17, 2014

To: Eaton's Bussmann Division Customers

Subject: Certificate of Non-Hazardous Materials

Eaton's Bussmann Division certifies that its products are free of such hazardous materials as asbestos and radioactive luminous materials.

The Bussmann Division certifies that mercury is not intentionally added in any materials and no mercury will come in direct contact with any hardware or supplies.

Further, the Bussmann Division certifies that packaging materials and inks used for labeling and marking are free of heavy metals.

Sincerely,

A handwritten signature in black ink that reads "Keith A. Spalding". The signature is written in a cursive style.

Keith A. Spalding
