Eaton.com/bussmannseries

Date: May 6, 2015

To: Eaton Customers

Subject: EC REACH Statement

Eaton's Bussmann Division has implemented REACH procedures and actively works with suppliers to insure components and materials meet the REACH regulation.

The Bussmann Division continues to review materials and components in an on-going due diligence process. Customers can request declarations for products by contacting the following coordinators by region and product groups.

- North America / Electrical products, Raul Valenzuela (RaulValenzuela@Eaton.com)
- APAC / Electronic products, Susan Zhao (SusanZhao@Eaton.com)
- EMEA / Electrical Products, Gareth Cooper (GarethCooper@Eaton.com)

Thank you for your inquiry.

Sincerely,

Keith A. Spalding
Product Stewardship Manager
