**Date: May 6, 2015**

**To: Eaton Customers**

**Subject: RoHS Directive**

Eaton's Bussmann Division continues to comply with the RoHS Directive and provides customers with C of C letters for our products as requested.

Customers can obtain certifications directly at [www.cooperbussmann.com/rohscert](http://www.cooperbussmann.com/rohscert) and verify the RoHS status of each product by catalog number.

For further RoHS product status support, contact:

- North America / Electrical products, Raul Valenzuela ([RaulValenzuela@Eaton.com](mailto:RaulValenzuela@Eaton.com))
- APAC / Electronic products, Susan Zhao ([SusanZhao@Eaton.com](mailto:SusanZhao@Eaton.com))
- EMEA / Electrical Products, Gareth Cooper ([GarethCooper@Eaton.com](mailto:GarethCooper@Eaton.com))

Thank you for your inquiry.

Sincerely,

Keith A. Spalding  
Product Stewardship Manager  
Eaton  
Bussmann Division
