ALL INSTRUCTIONS MUST BE FOLLOWED ON ENCLOSED INSTRUCTION SHEET (IF 1457). READ ALL INSTRUCTIONS BEFORE PROCEEDING WITH INSTALLATION.

Chico SpeedSeal Compound is to be only used with Crouse-Hinds Series EYS/EYSX/EYD/EYDX type sealing fittings in ½” to 2” trade sizes. Chico SpeedSeal Compound is suitable for Class I, Divisions 1 & 2, Groups C, D (even if it is used for a fitting rated for Group B) and Class II, Divisions 1 & 2, Groups E, F, G hazardous areas only. The temperature of the Chico SpeedSeal Compound must be between 50°F (10°C) and 85°F (29°C) before mixing. Sealing fittings must be at a temperature above 40°F (4°C).

Lot Number:
Date of Manufacture:
Expiration: Eighteen months after date of manufacture.

WARNING
Contents will develop internal pressure after mixing. Remove mixing rod immediately after mixing to prevent pressure build-up and possible sudden eruption that could result in personal injury.

Mixed product that is spilled should be placed in open containers to allow for expansion. For unused or expired materials, completely mix two components and dispose after the foam has cured.

For industrial use only. Keep out of reach of children.

Pump, Inject, Sealed...
IN LESS THAN 5 MINUTES.
SEE SAFETY DATA SHEET FOR THIS PRODUCT

DANGER: Harmful if inhaled. Causes skin irritation. Causes severe eye irritation. May cause allergy or asthma symptoms or breathing difficulties if inhaled. May cause an allergic skin reaction. May cause respiratory irritation.

Prevention: Avoid breathing dust/fume/gas/mist/vapors/spray. Wash hands and exposed skin thoroughly after handling. Use only outdoors or in a well-ventilated area. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves/protective clothing/eye protection/face protection. In case of inadequate ventilation, wear respiratory protection described in Section 8 of SDS.

Response: Take off contaminated clothing and wash it before reuse. IF ON SKIN: Wash with plenty of soap and water. IF INHALED: Remove person to fresh air and keep comfortable for breathing. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye or skin irritation or rash occurs, get medical advice/attention. Call a poison center or doctor if you feel unwell. Specific treatment: see Section 4 of SDS.

Storage: Store in a well-ventilated place. Keep container tightly closed. Store locked up.

Disposal: Dispose of contents/container in accordance with local/regional/national/international regulations.
