DANGER: Causes severe skin burns and eye damage. May cause cancer by inhalation. May cause damage to the respiratory system through prolonged or repeated exposure by inhalation.

Do not breathe dust or mists. Wash hands thoroughly after handling. Wear protective gloves, clothing, eye and face protection as required by Section 8 of SDS. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center/doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If exposed or concerned, or if you feel unwell: Get medical advice/attention.

Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.
