Eaton’s Architectural Product Group offers a quick ship program focused on their most popular LED luminaries that cover a wide array of architectural lighting applications. The 10 day lead time on select products caters to fast moving construction projects and will ensure that the schedules are met and the project is a success.

**Terms of Quick Ship Program:**
- 10 Day lead times
- 1000 linear feet maximum order for continuously mounted product (4’, 8’, and 12’ sections only. See specific product families for more detail)
- 200 piece maximum order for recessed 2x2 and 2x4 luminaires, and LED Cove.

**Notes:**
- All products must have a “QS-” at the beginning of the catalog number.
- No submittal sign-off required
- Custom color not available
- Standard freight terms apply
- Standard Terms and Conditions apply
- Cancellations or changes will not be accepted
