METALLIC FINISH TRIMS

Halo offers recessed lighting trims in a variety of metallic finishes to bring drama to a lighting installation. Use these trims to either complement kitchen and bath accessories or to add a decorative touch on their own. Choose from a palette of finishes ranging from the understated Satin Nickel to bold Antique Copper to lustrous Tuscan Bronze as well as gleaming Polished Brass and subtle Satin Brass.

Most of the trims shown here are also available in the such traditional finishes as white and black.
