RTC
Recessed LED center basket
RTC Recessed LED center basket

The RTC lensed troffer series provides performance, reliability and flexibility with a housing optimized for shallow plenums. Developed with Eaton’s latest generation of solid-state components and electronic driver technologies, these center illuminated troffers provide numerous options for color, lumens, controls and sensing. Designed to be compatible with popular ceiling systems, the RTC troffers are ideal for both new construction and remodel/replacement of fluorescent troffers in commercial office spaces, schools, healthcare facilities, and retail merchandising areas.

- Low profile perfect for renovation or new construction
- Contractor friendly, quick and easy install
- No maintenance required
- Center basket appeal, prismatic troffer value
- Buy with confidence - proven Metalux quality
Durable construction

- Uniform body, strong cold rolled steel
- Impact-resistant polycarbonate lens
- Fast install with easy wiring access and plug-in wire connectors
- T-grid clips included
- Standard access plate with trade-size knockouts and large wiring compartment

Architectural appeal

- Advanced optical control with linear prisms for uniform light distribution
- Matte white post-fabrication painted from corner to corner
- Selective binning to ensure color consistency
- 3500K with 3500K and 4000K

Features and benefits

- Low profile
- Designed for shallow/restricted plenums
- Integrated sensors factory wired and tested
- Lutron and DALLi options with UL and Intermoperefit compliance
- Flexibility to meet building codes and safety requirements
- Simple, secure wireless connectivity with out-of-the-box code compliance
- Easy-to-use mobile application allows for fast set-up and simple wireless control capabilities
- Detection pattern covers standard ceiling applications up to 12 feet

Accessories

- Optional EQ clip (RTCEQ)
- Code and specification compliance

Connected Lighting Systems

WaveLinx
Wireless Connected Lighting System

- Adjustable occupancy sensing and daylight dimming control
- Simple, secure wireless connectivity with out-of-the-box code compliance
- Easy-to-use mobile application allows for fast set-up and simple wireless control capabilities
- Detection pattern covers standard ceiling applications up to 12 feet

LumaWatt Pro
Wireless Connected Lighting System powered by Enlighted

- Configurable dimming, occupancy, light, temperature and power use sensing
- Enterprise-class wireless networking with fully addressable settings
- Powerful software for energy management and Internet of Things (IoT) data capture and analytics
- Low bay detection pattern covers low and high ceiling applications up to 20 feet
Performance

- High lumen options enable use in high ceilings
- True replacement two and three lamp troffers with T8, T5 or Biax lamps
- Up to 58% energy savings
- System lasts over 25 years with TM21 rating of L75, 60,000 hours
- Five year warranty
